Welcome from the Chair...

Shropshire Disability Network was formed in May 2008 to provide a friendly and supportive network for people with disabilities, their families and carers throughout Shropshire (including Telford & Wrekin)

Our Vision is that:

“By 2025, disabled people will have the same opportunities, choices and responsibilities as non-disabled people to be respected and treated as equal members of society.”

We realise there are still many barriers to break down. You can make a difference by joining the Network.

I look forward to meeting you soon.

Geoff Fougie (Chair)
